## From Patron's Desk

Dear friends,

Good Health care is one of the basic needs for the Society and “EYES” has been recognized as a major segment of Human suffering which is preventable and curable in majority of cases.

In India too, where 90% of the cases are treatable, most Indians lack access to quality eye care. In the early 1990s, the country was home to a third of the world's blind people and here too cataract blindness was the major cause in most cases.

CATARACT refers to the clouding of the lens in the human eye, affecting vision. In the developing world, cataract is the cause for blindness in nearly half the blind population i.e. 50% of the recorded number of blindness cases.

We all know that while Governments have various facilities for General Health care and Eye care, but it lacks total penetration and access to all. Therefore, the complimentary role of intervention in General Health care and Eye care by social institutions like “MAHAVIR INTERNATIONAL DELHI” which is supported by the Society becomes important. Very importantly, it tries to fill the gap of availability of these service to the poor and down trend segment of the society.

The Covid brought a big challenge to all of us. Mahavir International Delhi continues to do its bit through three hospitals providing free cataract surgeries and also availability of General Health services, Physiotherapy and Lab service. The efforts of Mahavir International Delhi to reach the masses through on-site Health care and Eye care camps have been appreciated by the beneficiaries and supported by number of PSE's & Corporates.

Along with creation of the Facility for Health care / Eye care the “EYE DONATION” is a ray of hope which can provide the Eye sight to almost entire Blind population if we all join the movement.

I thank all the Donors and supporters of Mahavir International Delhi who have been working for the Cause, what we say with “TAN-MAN-AUR DHAN” and look forward for continuous support,

With Good wishes to all,

Jai Vir

- Chandra Prakash Jain

## From Chairman's Desk

Jai Mahavir,

AS we reach the middle of our tenure, let me on behalf of the current Board of MID, take this opportunity to thank each one of you for being a part of this wonderful journey.

As you will all agree, the year 2021-22 was indeed one of the darkest in our lives, with pain of a deadly disease, losses of near and dear as also of livelihood. The only reason of cheer was the human spirit and brotherhood, which helped us overcome adversity. The year has shown, that life is fickle and that humans need to practice loving and giving. And MID, of which we are all members, gives us exactly that platform and opportunity!

We have done pretty well mobilizing and spending for noble initiatives nearly Rs. 6.5 crs, which is an all-time high! The first and foremost intervention was provision of 300 oxygen concentrators on a pan India basis, which should leave us much better prepared to tackle oxygenshortages as was experienced during the deadly second wave of COVID, Despite the first quarter of the year getting practically wiped out due to this wave, we provided close to 1.25 lakhs consultation and checks in areas as diverse as eye, general OPD, gynae, homeopathy, Ayurveda, physiotherapy, optometrist etc. This included around 40,000 persons who were provided consultations in nearly 100 camps held Delhi NCR as also nearly 50 camps organised by our sister centres in some aspirational districts mainly in the state of Rajasthan. Also despite loss of first half of the fiscal due to COVID induced restrictions the operation theatres at our three centres worked over time especially in the last three four months bringing 875 persons out of darkness. Not to forget we have also vaccinated nearly 17000 people from the dreaded COVID totally free of cost after providing them all facilitation for registration. All this has been possible firstly due to the magnanimity of our donors and thereon due to our dedicated team of doctors and paramedics, who braved the threat of the pandemic as also reduced compensations in the first half of the year and yet gave it their best!

The women's vertical of MID – Vira Vision was also not to be left behind as the dedicated team of our women volunteers provided succour to nearly 50,000 persons by organizing among other interventions distribution of free/subsidized food packets, ration kits, sanitary pads, baby kits, warms for winters etc. In fact what stands out about their effort is the personal touch and the way they engage with the beneficiaries!

पर जैसे कहते हैं “ अभी दिल्ली दूर है ..”

“मोहब्बत का कारवां तो अभी बस चल पड़ा है, सैकड़ों मीलों का सफ़र बाकी है अभी तो केवल कुछ आंसू मिटाए हैं, चेहरे में मुस्कराहट लाना बाकी है,”

तो इस माह जब हम भगवान् महावीर और बाबा साहेब आंबेडकर की जयंती और गुड़ी पड़वा, बैसाखी, बीहू आदि त्यौहार मना रहे हैं, आईये आस पास खुशी की लहर को फैलाने का भी काम करें।

MID sincerely looks forward to the renewed support of each one of its members to mitigate sufferings and spread joy among those in distress, in whatever way you can beginning April, 2022 and beyond!

Jai Vir

- K. Narayan

## MID-A STEP AHEAD Participation in 'JOSH'

Youth is like the trustee of prosperity and a greater tomorrow. In their eyes lie the future and strength of the coming world. They are the glory and pride of our world.

It was a moment of great pride when one of our youngest Member Ms. Shreya Jain, [LM-376] Director [PR & Communication] participated in '**JOSH**' Yuwa Shakti; the first-ever youth convention organized by Mahavir International APEX and hosted by Mahavir International Yuva Pratap Centre, Bhilwara on 26-27 March 2022 at Bhilwara.

Ms Shreya Jain got this golden opportunity to share her words of wisdom and her impeccable knowledge on the topic of 'Digital marketing for NGOs' with the Yuwa's attending the function from all over India.

## AN ODE TO THE HUMBLE WORKING WOMAN

I see them drive or driven to work sandwich in their hand,  
Some others shooting instructions while waiting at a bus stand  
Wonder how teachers look fresh at dawn despite late night paper corrections,  
And how nurses can ever smile and comfort administering painful injections  
Many office going ones I see working non-stop till it's time to pack,  
For to their maid's – दीदी क्या बनाना है, they have to give a feedback  
Speaking of maids, on them we can write a completely separate ode,  
Who empty stomach cook, mop & wash, only to repeat at their humble abode  
Many sole bread winners of their family, rearing their children single handed,  
For their delinquent husbands have hit the bottle or simply deserted  
What about the construction labour carrying bricks, her child in the other hand,  
From where she gets such phenomenal physical strength, I fail to understand  
List of working women not complete without the over employed housewife,  
Whose management skills enable her family to relax at home and also in life  
So may today not just be those who made it big amongst the many women,  
There are many humbler ones equally deserving a rightful place under the sun

Sh. K. Narayan  
Chairman, MID

HAPPY WOMEN'S DAY ...
