Happy Holi
ANCH

Let the colours of Holi bring cheer and happiness to your life

Jai Mahavir!

"You can have everything in life you want, tf you will just help other people get what they want."

NGOs are the organizations engaged in social service to the underprivileged in our society to ameliorate the hardships faced by them in their day-to-day life, be it health, education, bread & butter etc. etc. NGOs generally are working in their own vicinity according to the needs of local population. Social service is a vast field and can be done in many ways. It can be done by involving yourself physically, or by contributing financially to create infrastructure or fulfil day to day needs of the needy. It can even be done by words i.e. by creating awareness amongst masses about health, hygiene, environment, cleanliness etc. etc.

Mahavir International is a privileged NGO who has presence across the country. Mahavir International Apex with its Head Office at Jaipur has more than 300 active centers spread in length and breadth of our country. Every center has its own core area of social service. Some centers are working in health sector, some are working in education of street children, some specially working in women health, hygiene & empowerment and most importantly environment protection. One can do service without any geographical limits by connecting to the local center(s) of Mahavir International with least efforts and resources.

Mahavir International has a huge strength of dedicated members, donors and philanthropists who are always available for the cause with mind, body and soul keeping aside their egos. Cohesiveness and Teamwork is the key of the organization to reach greater heights. Delhi Centre is the biggest centre of Mahavir International in the country and doing a great job service to the deprives section of the society. Delhi centre is blessed to have number of beaurocrats as its chairman namely Vir S. K. Jain, Vir C. P. Jain, Vir Ranjan Jain and now Vir K. Narayan, who lives with social service in their thoughts and dreams and have led the organization from the front. The dedicated donors like Rajdhani Besan Group, Safexpress group and many other corporate and business houses have made the dream come true. Untiring efforts of Vir Ashhok Kumar Jain, Chairman Finance is the back bone of the organisation I am proud to be a part of this great NGO and request all to join hands with Mahavir International to contribute their bit to the society. I can assure one and all that this humanitarian gesture gives immense satisfaction after doing anything good for wellbeing of the society.

Jai Vir - Vir CA. Sudhir K. Jain

# From the Desk of - Joint Secretary, MID

Jai Mahavir!

Each person is unique. They have a particular set of beliefs, they have different ideas about different things, and this individuality is what makes humans such an interesting personality. So, when they find that their beliefs match the goals of a particular charitable organisation, they become attached to it and tend to support the cause they really care about.

MID is not just a NGO for me. It is a way of expressing my gratitude to the society that has given me so much love and respect. After joining MID, I feel that day by day my bond to this noble organisation is becoming more and more close to my heart.

As I got an opportunity to write my first message, I can't stop my self to write about Sh. Ashhok Kumar Jain (Chairman Finance). His perseverance and belief to work for this humanitarian organisation has got me here as well. He makes efforts to promote and place together virs and viras in many aspects of MID. So, I firmly feel that the tagline of MID is not only "Sabki Sewa, Sabko Pyar", rather in the hindsight is Sabke Saath, Sabki Sewa-Sabko Pyaar.

I am glad that the management of MID and it's work force treat this organisation as their own. They are proactive people with great will and an unparalleled dedication towards the society. To serve them our dedicated projects:-

- Cataract free Delhi
- Eyes donation
- Doctor at doorstep
- Mission Sanjivani

साधना का अर्थ है स्वयं के स्वार्थ से ऊपर उठकर समाज के लिए, राष्ट्र के लिए त्याग करना। दूसरों के लिए विष तक पी जाने की भावना के कारण ही तो भगवान शिव महादेव बने। जो स्वयं के लिए जीये वो देव, जो सबके लिए जीये वो महादेव.

MID also has its other wing "Vira Vision" for viras to help necessatious. These viras vehemently run their projects:-

- 1.Sabko kapda वर्स्नों का त्याग साधना नहीं हो सकता लेकिन किसी वस्नहीन को देखकर अपना वस्न देकर उसके तन को ढक देना यह अवश्य साधना है।
- 2. Sabko bhojan ऐसे ही भोजन का त्याग भी साधना नहीं है किसी भुखे की भूख मिटाने के लिए भोजन का त्याग यह साधना है।

As the member of MID I believe that it's our duty and responsibility to give back to the society in which we live, in return of the many things we avail from it in our day-to-day lives.

MID as an organization stems from this root belief. Our team's quest to serve the destitute gives us the strength to work with full dedication, sincerity and honesty. The strength of MID is its Team, Sponsors, Volunteers and all supporters and well-wishers who are helping it in many different ways.

We are very grateful for the support that we get from many individuals that make our work possible.

We always welcome support offered in any way. Even if you are young and are driven by this belief, feel free to visit us and join our activities in this selfless endeavour.

In addition to the above, from the desk of editorial board, we would like to request that we take out this monthly magazine, which consists of activities and performances of your esteemed organization and acknowledgement of our supporters. You all are requested to share your views and suggestions in terms to motivate and improve it. We will also be happy to include your writings.

Jai Vir - Vira Abha Jain

# **ACCOLADES**

सबको प्यार - सबकी सेवा

# !! कविता !!

## आज जब देखा एक नेत्रहीन को सोचा

कितने भाग्यशाली हैं हम जो देख सकते हैं सारी दुनिया सोचो जरा उनके बारे में जिन्हें नसीब ना हो पाई

> जीवन की रंग बिरगी झलकियों जीवन के हर रंग से है यो बेखबर प्रकृति बनी सुन्दरता देखने को नहीं मिली उन्हें कोई नज़र

क्या हमारा कर्त्तव्य नहीं कि हम कर दें उनके अंधेरों को रोशन मृत्यु के बाद अपने नेत्र दान कर दे दें उन्हें एक नया जीवन

> कितना अच्छा होगा जब हमारे जाने के बाद भी हमारी आंखें इस रंग बिरंगी दुनिया के देख पायेगी अब तक जिनके सोये थे सपने उनके जीवन में नए रंग लाएगी
