## From the Pen of Chairman

*Jai Mahavir,*

While we all associate new year with the calendar year, for many of us living in the target of financial years, April 1st symbolizes the real new year. Even the Hindu New year is known to start on the first day of Chaitra Navratri, which falls around this time. April is also the month of various festivals like Baisakhi, Bihu, gudi Padwa, Ugadi – to name a few. Closer to us is the fact that we celebrate Jayanti of Lord Mahavir on whose teachings of universal love and service our organization has been founded. So I take the liberty of wishing all our dear members and Stakeholders a very Happy New Year!

This is indeed the right time to evaluate how we have fared as an organization in terms of fulfilling our objectives and hence I will dwell on some figures.

First and foremost blessings of Goddess Lakshmi (commonly associated with wealth) is indeed very necessary for the success of any enterprise and in this context, I am happy to share that our receipts grossed over Rs. 7 Crores for the first time ever – powered mainly by CSR grants received from Corporates in general and CPSEs in particular. Of course there were also liberal contributions from our members and the enhanced donations received for the subsidized treatment services provided by our centres played a role too. Thanks to same, we were able to organize 306 camps (including 70 school camps) and conduct/sponsor 1758 cataract surgeries in the last one year. Another 111 surgeries have been performed after detection in camps organized by MID in Kota and Jaipur, which takes the overall number of beneficiaries to 1869! In all 2.5 lakh plus consultations were carried out in our centres and during course of the camps. Given the increasing workload, grants were also sought and received for procurement of various medical equipment - some of which are being passed on to our affiliate MI centres, who are sincerely partnering us in the field of health care.

What also has been all the more pleasing is the grant of new projects beyond provision of health care. MID has been sanctioned a project for recharging of ground water in parched Alwar district of Rajasthan whereby we hope to inject into mother earth lakhs of litres of rain water to enhance the water table in Kathuwas – location of the Multi Modal Logistics Park (MMLP) of CONCOR. We have been additionally sanctioned a project for upgradation of infrastructure of multiple schools and Primary Health Centres (PHCs) in Cuddalore and Chennai districts in distant Tamil Nadu.

Women Empowerment has been another focus area. The Swavalamban project was carried forward with help of MI Apex, Singer and SSS Foundation with nearly 120 women undergoing course on Apparel Stitching and General Duty Assistant/Health care training. Three of the trained GDAs have been deployed as Swasthya Saheli at each of our three centres where over the last one year they have counseled close to 15000 women on sensitive issues of menstrual hygiene and breast feeding. Towards the end of the year, we were also welcome recipients of a CSR grant for organizing health counseling workshops on pre and post natal care, taken by a qualified Nursing trainer, for over 700 pregnant women and lactating mothers. While the benefits of such sessions will be experienced by the women and their families for quite some time, an immediately ascertained positive impact has been that around 30 families have gone in for family planning measures, while 18 women who were earlier planning unsafe deliveries at home, got themselves hospitalized for the same.

All in all the developments of the last one year have been a tribute to systems in place in our organization which is enhancing trust of our stakeholders. At the same time, it places even more responsibility on us to redouble our efforts for serving with love.

This being the 50th year of Mahavir International and also culmination of 45 years of MID, I conclude with an earnest request to all members and stakeholders to participate more actively in the various noble activities of our organization and sharing our compassion with our underserved brethren, which should undoubtedly hold us in good stead in our own life's journey also.

*Jai Vir*
