'JAZBA'
3rd NATIONAL VIRA
CONVENTION -Udaipur

From Chairman's Desk

Jai Mahavir,

The achievements of last fiscal have, which included all time high collections and expenditure for our noble initiatives, has only further fuelled the enthusiasm and social service vigour of Team MID. While the new initiatives of opening of the Retina OPD and out sourcing of physiotherapy services in Hauz Rani are expected to improve footfall and sustainability of the centre, the commencement of Nursing Assistant training in NabiKarim, started in collaboration with KMG Foundation, add an altogether new dimension to our working.

Be it our past achievements or future expectations, they stand on foundation of two pillars – noble minded organizational and individual donors on one hand and our dedicated and dynamic workforce on the other. I take this opportunity to thank the building blocks of each of these two pillars. Especially the workforce, many of them themselves belong to the poorer sections and are engaged with us for a very modest compensation. Even the doctors, though far better off economically, are working with us at compensations which are lower than what the market has to offer them. Despite these constraints, they leave no stone unturned in serving the have-nots. A big salute to each one of them!

In recognition of their efforts, the much due enhancement of compensations have been carried out from current month. I wholeheartedly thank Secretary and Director Medical Services for carrying out this exercise meticulously and innovatively, wherein a certain increase has been linked to performance. I sincerely hope this will further motivate our team members to discharge their work more spiritedly.

Last but not least, while efforts are on to make our centres more sustainable, donations of noble minded members like you as also your other noble minded friends will go a long way in our improving the reach and quality of our services. We, therefore continue to seek your kind patronage and blessings.

Jai Vir

- K. Narayan

Jai Mahavir, I express my gratifying thanks and gratitude to our Chairman Shri K. Narayan and all Board Members for reposing their trust and confidence in me and entrusting the responsibilities of the Secretary of this majestic NGO. I had the honor to serve it to the best of my ability and wisdom under the talented and brilliant command of our Chairman Sh. K. Narayan, Chairman Project Shri Satinder Kumar Jain and Chairman Finance Sh. Ashhok Kumar Jain, needless to mention the dedication and respectability of all my other team members.

I extend my heartfelt thanks to the team of our medical fraternity, paramedical staff and administrative staff for their dedication and trusted services, to accomplish the cherished vision and mission in last one year facing the financial crunch.

I congratulate all the members of Mahavir International Parivar for their contribution in taking this organization to this level. I also express my gratitude to all the donors including PSE's, Corporates and Individuals for supporting us in various ways.

The last two years have been very significant in spite of the challenges that came our way due to the on going pandemic. We were witnessing change in our everyday lives. Besides achieving the land mark of treating more than 51 Lac patients in the service of humanity, we had widen the sphere of our activities by launching following new Projects.

- 'सबको भोजन' : serving mid-day meal to around 250 beneficiaries on a daily basis to the needy & poor.
- 'मिशन संजीवनी' : Opening of two Free "Covid Vaccination Centres" to vaccinate the population at large who do not have the time, means or money to get themselves vaccinated.
- Resumption of Cataract Surgeries in our three State of the art operation theatres of our Centres.
- Revival of Health check up camps pan India.
- Maintaining the tradition, we celebrated our "Eye Care Day" physically which was a grand success.

In new financial Year 2022-23 there are many more exciting initiatives planned for the year ahead. During the month of April 2022 we have already initiated project of

- Retina Unit at our Hauz Rani Centre.
- Commencement of training programme to the under privileged youth as Nursing assistants at our Nabi Karim Centre.

Our commitment to provide the best medical aid to the unreachable continues to gain momentum and we aspire to achieve mark of 400 camps this year. I therefore request all the donors and sponsors to come forward and be part of this laudable project.

I look forward for collaboration of our Sponsors, Donors and Members, to help in enlightening our path towards giving in more to our society and mankind by achieving our set targets and reaching out to masses. Thus building a bridge of hope & development through our medical sector for all needy.
