CSR INITIATIVES of GAIL & IOCL

Happy Dussehra

From Vice Chairman and Chair CSR and IT Committees

The Year: In more ways than one, this 75th year of our Independence has been a deeply satisfying one for us at MID what with several new initiatives in place. But it also is one which shows the enormous potential of the work that remains to be performed to achieve our vision. As an example, while we would have executed a hundred camps by end Sep, it still leaves a challenging number of three camps to be executed every two days to achieve our target.

this end, important systemic advances have been made. Daily camp, operations and OPD data is now available for almost real time review. A new Hospital Management System has been deployed online at our centres for OPD record management. A refurbished Biometric Attendance system is facilitating improved doctor and staff management and automated calculation and disbursement of wages. The payment process at the OPD counters is more efficient with the QR codes now in place for online payment.

Déjà Vu: Frequent and purposeful management inter-action has infused a new found sense of enthusiasm amongst our doctors and staff to take on the enormous task ahead.

Safety and Transparency: To assure improved transparency and safety of beneficiaries and staff, functional CCTV cameras are now operational at our medical centres.

OPD: Our outpatient clinics at our medical centres are our mainstay. We have endeavoured to continually improve the systems, facilities, and cleanliness to increase our efficiency and beneficiary footfall and recall. The initiative to have members sponsor OPD operations has gotten off to a promising start – once a month at each centre. With our *members' more active sponsorship*, we could target *once a week* at each centre. A day's OPD sponsorship currently costs just Rs 20,000/-.

Cataract Operations: Our cataract surgery programme is now in full bloom with all retina and surgical equipment having been checked and calibrated and the surgery rooms cleaned and sanitized per norms at our centres. What better act of kindness on your special day than giving the gift of clear eyesight to a needy person via cataract surgery! We urge you to consider, as several already have, **sponsoring surgeries** on your special days. Each surgery costs a mere Rs 5,500/-.

Camps: A substantial chunk of our operations and resources are now assigned to field camps both within the NCR and pan-India. Corporate sponsors – both publicly and privately owned – have come forward to sponsor a handsome \sim 350 health check / eye care camps this year (we are eyeing 400 though!). The list of active public corporate sponsors is growing but the proportion of camps funded by our esteemed members has dropped from 80% to 15% and their absolute numbers have also dwindled. It is my earnest appeal to our generous members to open their purse strings and let **each one** of us **sponsor one camp.** That would make for > 300 camps!

Social Media: We now have a thoroughly revamped, vibrant and contemporaneous website that is updated regularly with event and operations' photographs, videos and performance statistics. Several messages, updates, videos and reels are up on our Instagram, You Tube and Facebook accounts too. Please feel free to *share* with your personal and work acquaintances for *expanding MID's reach*.

Ease of Funding: The long awaited international online donation payment portal (PayPal) is now integrated with and operational on our website. Kindly *share the website and payment link* with your friends and relatives enhance our funding levels.

Wider Audience: Mid has issued a crowd funding appeal on the give India portal. Kindly share the appeal with your friends and colleagues to enable widening of our pool of potential donors. MID has also initiated the process of its registration with the PM Jan Aarogya Yojana for providing charitable services. This should enable MID to potentially address a *wider audience*.

Fund Raiser: We are excited to announce the revival of physical hosting of our Annual Marquee Fund Raiser – "**Eye Care Day**" on 13th November 2022 replete with performances from our partner NGO children and an amateur singing troupe that comprises the most after medical professionals in the city! Watch out for more details. I'd urge our esteemed members to *contribute via ads and otherwise* to a lovely Special Edition of a sparkling "Mahavir Vision" that will hit the stands to coincide with the event. Remember, the net proceeds for this fund raiser go a long way in sustaining our daily medical centre operations.

Festival Greetings: The festival season is around the corner and on behalf of MID, I'd like convey our sincere and warm wishes for a joyous and prosperity laden festive season ahead to all our donors, partners, members, and staff.

Jai Vir - Arun Kumar Jain
