Jai Mahavir

It is a matter of great pleasure that our NGO Mahavir International Delhi has completed a successful journey of 46years.

The object behind the formation of this great institution was to provide Medical Services to Economically weaker sections of the society with special emphasis on Eye Care. Our Mission is to make "Cataract free Delhi". 'Love all - Serve all' is the slogan of our NGO. We provide our services to all irrespective of their caste& creed.

Mahavir International has a history of great achievements.

We are running 3 Eye & Health Care Centres with the state of the art operation theaters in Delhi. Five fully equipped mobile Medicare vans are deployed in the services of poor people. Not only this, we are holding 30 to 35 free Mega Health & Eye checkup camps every month in Delhi NCR & Pan India with focus on under privileged..

In 2023-24 MID has been able to pursue its main objective of primary health care services to the downtrodden section of the society, more aggressively and effectively through its flagship project-'Doctor at Door step' by organizing 306 Eye and Health Checkup Camps. This included 169 campsin Delhi-NCR and 137 Pan India with the help of other centers of Mahavir International. Heartfelt gratitude for the unstinted, unconditional, continuous, dedicated and active support of local centers of MI due to which we have been able to do this herculean task with ease and maintaining a high level of quality, keeping the faith and confidence shown by our sponsors, intact.

The recently ended quarter also saw us commence MID Anjuman, weekly clinics in three slums of Delhi NCR with support from our partner NGO. The initiative is funded by SSS Foundation.

One another project on sewing Training under project "SWAVLAMBAN" - WOMEN EMPOWERMENT' INITIATIVE of MI Apex under the wings of Vira vision has enabled 121women successfully complete this course.

MID had taken-up the project "SWASTHYA SAHELI" for women where a trained General Duty Assistant (GDA) is providing counseling on women health at the centres resulting in guidance of 22112 women on menstrual hygiene and 6325 on breast feeding.

MID launched a New Project — "जिनित्र कार्यशाला', aiming to educate expectant and lactating mothers about maternal and child health to minimize the risks of pre and post natal complications. Total 24 workshops were organized, where in more than 700 women were educated about the crucial topics including prenatal care, proper nutrition and exercise during pregnancy, safe deliver practices, postpartum care, breastfeeding, birth spacing and the advantages of small families.

Another ambitious project is also taken up by Mahavir International for recharging of ground water in Alwar district of Rajasthan. Through this project we hope to inject into mother earth lakhs of liters of rain water to increase the water level.

Last but not the least, MID has spread its wings in South India to serve the needy strata of the society by providing the support for installation of medical equipment in the Govt. Primary Health Centre (PHCs) and Infrastructure facilities in Government schools in Chennai, Cuddalore & Mayiladuthurai districts of Tamil Nadu.

MID ANJUMAN

'GOING BEYOND BOUNDARIES'

These are pics of Bhowapur - nestled between two Radisson hotels in Ghaziabad just across Delhi border, a population of probably 2500 migrants - mainly dealing in waste. No toilets, no functional schools nearby, no health centre.

Young anemic mothers (of multiple stunted children) often abused by their husbands, rampant prevalence of UTI and gastric problems.

For social workers this country and its cities offer many such opportunities. Are we to be happy that there's no poverty of poverty and hence scope to do a lot or are we to be sad that it dents our national pride?

While we can blame Govt and Babus, the civil society cannot escape blame as we fail to engage with this strata of populace treating them as people who are to be brushed under the carpet in our pursuit to look as a confident progressive nation. But without engagement, we cannot expect to change their mindset, which is the first step to change their life

Salutations to our donors - SSS Foundation for funding our MID Anjuman initiative through which we are reaching out to deprived localities such as Bawana, Bhowapur, Ghazipur and Kapashera on a weekly basis to engage with and provide for primary health and eye care to its inhabitants who are ever struggling to make a decent livelihood in our sprawling city. Heartfelt gratitude to our team of doctor and paramedics who provide these services in immensely tough conditions

'Doorstep Diagnostic Services'- New initiative

MID runs a well equipped clinical laboratory at Rajdhani Hospital Nabi Karim with modern machines and well trained staff since 1999.

The lab is affiliated with AIIMS New Delhi and CMC Vellore for external quality assurance. Our results are comparable with the best of diagnostic centers. The charges are very reasonable.

We have facilities for collection of samples from homes in Delhi, Gurugram and Noida. You may call Sudhakaran on mobile number 8527423299 to book your tests.
